Thiptida is in fifth grade. She is a happy child and works hard at home and in school.

Every morning, she takes a bath, eats breakfast and gets ready for school.

Then Thiphida walks to school with her friends.

She loves going to school every day.

Thiptida pays attention in class and asks a lot of questions. She wants to learn as much as she can!

After school, she likes to study with her friends. They can help each other and have fun!

One day, her mother tells her, “I know how hard you have been working in school. I'll have a surprise for you after you take your exam!”

The night before the exam, Thipthida stayed up very late to make sure she studied everything!

The next morning, Thiphida had trouble waking up.  
“Thiphida!” her mother said. “Get up! Today is your exam!”

She jumped out of bed, washed her face, dressed and ran to school.  
Thiphthida was ready for her exam!  
When she came home in the evening, her mother was waiting for her  
with a beautiful bicycle.  
What a wonderful surprise!

Thipthida has passed her exam, and she has a new bicycle!  
She is ready for a whole new school year!
