This is the house of Cat.

This is Dog.

Dog walks to the house of Cat. The door is open. The door of the house is open.

Dog walks through the door. Dog is now inside the house. Dog is now inside the house of Cat.

But Cat is not inside the house. Oh! Oh! Where is Cat?

Dog looks in the bed, but Cat is not in the bed.

Dog looks under the table, but Cat is not under the table.

Dog looks in front of the chair, but Cat is not in front of the chair.

Dog looks behind the door, but Cat is not behind the door.

Then, Dog sees a ladder. He sees a ladder next to the tree. The ladder is broken.

Dog looks up. Dog looks up at the tree. Dog looks up at the leaves of the tree.

Dog sees a foot. There is a foot between the leaves. And Dog sees a hand. There is a hand between the leaves. And then, Dog sees a face...

Dog sees the face of Cat! Cat is sitting in the tree. Cat is sitting in the tree with a ball. Cat cannot get out of the tree. Cat cannot get out of the tree because the ladder is broken.

Dog helps Cat. Dog helps Cat to get out of the tree.

When Cat is down, she gives Dog a big kiss.

Bye-bye, Cat. Bye-bye, Dog.
